Death Takes Mother Of Local Woman

Mrs. Lena Cooper, mother of Mrs. Marion Florence Doran, who is the wife of Wade Doran, assistant manager of the Ryan Furniture Co., Redwood City, passed away Sunday at her home at Route 1, Box 578, Los Altos, where she had lived for five years.

Mrs. Cooper also is survived by her husband, Charles A. Cooper, and two other children, Mrs. Mildred Lyman of San Francisco and Charles J. Cooper of Los Altos. She was 71 years of age, a native of New York.

The 1939 agricultural adjustment administration program was a continuation of the 1938 program.

State T. B. Group Elects New Officers

Mrs. Ruth Close, executive secretary, and members of the San Mateo County Health and Tuberculosis Association were back home today after attending the three-day convention in Santa Cruz of the California Tuberculosis Association, of which the local group is a part.

At the sessions, Dr. Sidney J. Shipman of San Francisco was elected president; Dr. R. H. Sundberg of San Diego, vice president, and Dr. F. M. Pottenger, Montrovia, secretary. Directors named were Dr. Chesley Bush, Livermore; Dr. William C. Voorsanger, San Francisco; Mrs. Mary Buss, Vallejo, and Frank J. McCoy, Santa Barbara. W. F. Higby was reappointed executive secretary. Santa Barbara was chosen as next year's meeting place.

VFW Officials View New Coast Weapons

C. H. Heald and the dozen staff officers of Corp. James Lindsay Wilson Post 2310, Veterans of Foreign Wars, Sunday inspected the newly-installed 16-inch coast defense guns a Fort Funston. The inspection was arranged by the San Francisco County Council. The local men said the inspection was a privilege not granted at all to the general public and would be available to no one else in the near future.

'WOMAN DOCTOR' TO SEQUOIA

Freida Inescort, Henry Wilcoxon, Claire Dodd and Sybil Jason will emote in "Woman Doctor," on the Fox Sequoia Theater screen on Friday and Saturday, on a double bill with "Topper Takes a Trip."

AT THE REDWOOD THEATER

Opening Sunday for two days at the Redwood Theater for the first showing in Redwood City, "The Strange Case of Dr. Meade" stars Jack Holt as a two-fisted surgeon who brings modern medicine into a backwoods community. On the same program is "Fisherman's Wharf," staring Bobby Breen, Leo Carrillo and Henry Armetta.

LeBerthon Ends Term On Libel Conviction

John LeBerthon, editor of the San Francisco News Letter & Wasp who completed a five-day jail sentence at Community Hospital because of a heart ailment, was signed off on the county jail register at 9 a.m. Sunday but stayed at the hospital until 3:15 p.m.

LeBerthon entered the jail Tuesday morning, but was transferred to the hospital after an examination by Dr. Harry E. Mason of Redwood City. He was convicted by a jury of libelling Dr. J. C. McGovern, South San Francisco, during the 1938 primary election campaign.

'Low Calory Menu' To Slimness Told

Changing weight for beauty's sake is a pleasant procedure for those who've learned the "low-calory menu" way to slimness.

No strenuous exercise—no starvation diets are suggested. Eut counting calories is!

Each meal can be satisfying, made up of the things you like to eat. You don't even have to cut down on mayonnaise, so delicious on green salads, if you eat Ide's Gayaise, the new mineral oil type mayonnaise which is non-fattening, yet rich and creamy in flavor. A low calory menu for the day could well include the following tasty luncheon:

Hard-poached egg yolk served on
1 slice toast ½-inch thick garnished with
2 tablespoons barbecue sauce
Salad of ½-cup raw grated carrot, 2 tablespoons crushed pineapple, lettuce, Ide's Gayaise.
1 glass buttermilk.
1 graham cracker.

Gayaise is delicious served on thin toast or crackers or to garnish small open face sandwiches.

A 12-year-old boy cleared $82.58 from a half acre of peppers in Sampson County, North Carolina.

Home Building Gain Reflected In Ward Sales

An optimistic note on the increase of home building and remodeling was struck today by Joseph A. DeGeller, manager of the Ward store here.

In commenting on the semi-annual Ward Week sale now in progress, he stated that while all departments of the store showed large gains in volume because of the reduced prices now in effect, there was a particularly large number of sales of building equipment and furnishings.

Most of this increased building he attributed to the financial help available to home owners through the Federal Housing Act, through which the Company arranges loans for home owners.

"The F. H. A. plan," he said, "provides all the money needed both for materials and labor, and payments on the loan can be spread over a period of three years. Naturally this has been a great stimulus to building."

A factor almost as important in the building upswing, he stated, was the large savings on materials made possible by the Ward Week sale. He estimated that these savings alone amounted to more than the entire interest charges on the F. H. A. loan.

Two More Freighters Dock at R. C. Port

It was another busy day at the Port of Redwood City Tuesday. Bringing nearly 700,000 feet of lumber, the freighters Barbara C and Port Orford both were unloading their cargo at the local harbor.

Port Manager Walter F. Murphy said also that he had been advised that the Stanford Oil Co. would move its equipment here this week to start construction of the storage depot planned at the port.

Gilbertsville, Ky., is the site for one of 10 dams in the Tennessee Valley Authority system.

Mrs. Ettie B. Small Is Taken by Death

Following her husband in death by only three months, Mrs. Ettie B. Small, of 1318 Harrison Ave., Redwood City, wife of the late Oliver B. Small, passed away Sunday. Mr. Small died in January.

Born in Lincoln, Me., Sept. 24, 1365, Mrs. Small had married Mr. Small in Strong, Me., before moving to Boston, where he engaged in the retail drug business until the couple came to Redwood City five years ago. Mrs. Small was the daughter of the late Ellen Cynthia and Stephen D. Gates.

Relatives left to mourn her passing are three children, Mrs. Cora S. Burns of Redwood City, Frank G. Small of New Jersey and Oliver C. Small of Massachusetts, and seven grandchildren: Dr. Stanton R. Burns of Redwood City; Ethel, Jeanette, Jacquelyn and Richard Small of Massachusetts and Frank G. and Cynthia Small of New Jersey.

PLAYERS' FIRST MAJOR EFFORT HAILED AS COMPLETE SUCCESS

First full-length offering of the Redwood City Community Players to the public, a performance of "Father Malachy's Miracle," by Brian Doherty, received a hearty ovation from a near capacity crowd of the city's drama lovers Saturday night in Sequoia High School auditorium.

The presentation, directed by Claude van Patten, Sequoia Adult School drama instructor, impressed the receptive audience with its nicely-handled lines and versatility of its characters, leaving the expectation that much will be done in the future as the Players carry out their plan to expand into a full-fledged community theater.

Dominating character throughout the play, despite the fact that he held only a supporting role, was Father Flaherty, taken by Julio Francescutti. In every scene in which he appeared, Francescutti seemed the center of interest, demonstrating a fine stage presence acquired thorugh experience in high school and other dramatics here. His lines were clear and sharp and his voice attention-drawing at all times.

Well-played but a trifle weakened by a lack of vocal clarity and power was the role of Father Malachy, leading character, portrayed by Milton Abbott, another veteran of local stage productions. At times the audience had trouble hearing when Father Malachy spoke.

The production as a whole, settings for which were designed and constructed by Francescutti, received deft treatment by the players. A little trouble was experienced with the staging, particularly with the curtain, but those were purely mechanical difficulties which will be ironed out as the group gains experience in major productions.

Other short and long plays are to be produced throughout the rest of the year, and the organization of players, which now includes 69 members, hopes to be able to develop a civic theater here in the near future.

Musical background for the production was provided by the West Bay Symphony Orchestra, directed by Max Gerber, head of the Sequoia High School band and orchestra. It, too, was well-received by the audience.

CITY MANAGER DIMMITT ILL

City Manager C. L. Dimmitt was on a forced leave of absence from his duties today, confined to his home with a severe cold. Although in bed today, he expected to be back on the job tomorrow, barring complications.

MENLO PARK NEWS NOTES

BUGNA-LOZZIO RITES HELD

MENLO PARK, Apr. 21—In the Church of the Nativity Sunday afternoon Miss Johanna Bugna and Angelo Lozzio were united in marriage by Father Thomas McKeon. Following the wedding a reception was held at the Italian Family Club. During the festivities the young couple stole away, journeying south for the honeymoon.

The pretty and winsome bride is the daughter of Mr. and Mrs. Candido Bugna and niece of Fred Palleti. Mrs. Lozzio is a graduate of Notre Dame Convent in San Jose and is a talented musician. The young couple will make their home in San Jose.

The Forty Hours devotion will be held in the Church of the Nativity beginning Sunday at the 11 o'clock mass and continuing until Tuesday evening. A large attendance is expected.

The drive for funds to erect the Mother Foley gymnasium at St. Joseph's school is proceeding with great success. The goal of $8000 will be reached soon. Over $5000 has already been subscribed. The school is greatly in need of a gymnasium for the 125 pupils attending the institution, which is growing rapidly and some provision must be made for the recreation of the children. St. Joseph's Alumni Association is sponsoring the drive, every member of which is working hard to secure the amount required. All subscriptions should be forwarded to Edward Derry, chairman of the committee.

The first picnic of the season at the Menlo Park Hotel Gardens will be held on Apr. 30 under the auspices of Union Espanole Society. The proceeds of the picnic will be applied to the Spanish refugees fund. The gardens have been taken for every Sunday until Oct. 1 by fraternal societies of San Francisco. The Roger Reynolds picnic grounds on the highway also have been engaged until October. The first outing will take place the first Sunday in May.

Menlo Parlor, Native Daughters of the Golden West, will sponsor a card party next Monday at 8:15 p.m. at the Central School on the highway. Score cards are 25c.

All property owners in the city have been notified by the council to clear vacant lots of weeds and grass, the work to start at once. There is less danger of fire if this is done now. It is hoped all property owners will co-operate with the council.

The Catholic women of Ravenswood gave a supper Wednesday evening to 200 persons. The ladies are raising funds to establish a church in that district. The site has been donated by a property owner and the women are working like Trojans to secure enough funds to start the building this Summer. A goodly sum has already been subscribed, but more is required to build a substantial edifice. It's a worthy cause and should be heartily supported by the citizens of that locality.

Mr. and Mrs. L. E. Harris met with an accident on the highway Monday when their machine collided with another. They were removed to a hospital, Mr. Harris suffering a fractured wrist and his wife internal injuries. Mr. Harris is the editor of The Recorder.

Last Wednesday evening Rev. E. J. Clark was installed as pastor of the Presbyterian Church. A reception in his honor followed.

New 'Phone Directory To Be Issued Soon

With a new directory shortly to go to press, to be delivered about May 31, Manager R. G. Drake of the Pacific Telephone and Telegraph Co. office in Redwood City today urged persons contemplating changes in their listings or new installations to make their arrangements promptly. Deadline for changes and listings will be May 4, Drake said.

Thrill Driver Is Here Today

In collaboration with the National Safety Council's "Save-A-Life Campaign," Jan King, noted racing and thrill driver and an inveterate safety enthusiast, will stage a safe driving demonstration today at 2 p. m. on Spring St. between Elm and Cedar.

This demonstration will emphasize the use of proper hand signals to be used in making turns, stopping a car and driving backwards. Also, the proper and improper method of manipulating a car properly on a wet surface will be shown.

In addition to the safety program, King will make a series of interesting and spectacular ramp jumps, beginning at a height of 30 inches and going as high as 45 inches with the spring afforded by the ramp. A Buick 8 weighing over 3500 pounds is used in the performance.

Everyone able to attend this demonstration is urged to do so in an effort to make universaly the proper signaling by hand to insure a universal safety in driving.

Bands Select Fair Numbers

Sequoia High School band and orchestra will participate in an all-state music festival at Treasure Island Apr. 28-29, it was announced today by Director Max Gelber. While the word "competition" has been eliminated from the festival, it was learned that judges would be on hand to grade the student music organizations within classifications.

The orchestras will perform Apr. 28. Test number for all will be the amply difficult "Barber of Seville" overture. The Sequoia orchestra will play two additional numbers, Mozart's "Minuet in G Minor" and Bizet's "Adagietto" for strings from L'Arlesienne Suite.

On the following day the bands will perform, with a massed band concert in the evening directed by the famous Edwin Franko Goldman. Goldman's own "On the Mall" and a series of other popular marches (Washington Post, The Westerner, "Lights Out," "New Colonial," and "Fiesta March," written by Burlingame's E. O. Brose) will be played by the massed musicians.

Test numbers for the individual bands will be Oliveras' march, "San Francisco-Oakland Bay Bridge" and the first movement of the "Unfinished Symphony" by Schubert. The Sequoia band will add "Huldigungsmarch" from Grieg's "Sigurd Jolsalfar."

The orchestra will play in the Hall of Western States. The band concert is scheduled for the auditorium of the California Building.

Pictures of the Sequoia orchestra in rehearsal will be included among the colored moving pictures to be displayed by Peninsula Inc. as part of the 1939 advertising program, according to school authorities. The pictures were taken at the school Friday.

Concurrent Term Given Drunk Driver

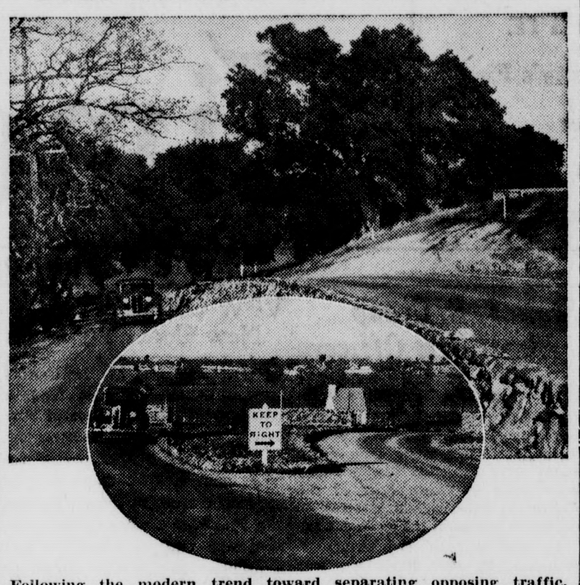
In superior court Monday afternoon, Frank M. West, San Mateo printer, up on a motion for revocation of his probation on a charge of drunken driving, was sentenced to 90 days in the county jail. Judge A. R. Cotton ruled that the sentence should run concurrently with the jail term imposed by Judge Maxwell McNutt as the result of West's latest arrest at San Carlos on a similar charge.

Franklin Duffey, San Francisco, accused of passing two forged checks in Burlingame, pleaded guilty and asked probation. The case was continued two weeks.

Joseph Rinaldi, San Jose, who pleaded guilty to charges of burglarizing a Burlingame construction company office, pleaded guilty and was admitted to probation for two years on condition he serve 15 days in jail.

If you want to keep it a secret, don't put it in the Want Ads.

GOOD ROADS IN WOODSIDE HILLS



Following the modern trend toward separating opposing traffic, view shows divided highway on curve in Woodside Hills, new home-site development overlooking Menlo Country Club West of Atherton. Roads throughout the tract are graded and surfaced, laid out in graceful curves to fit the contours of the land. New home under construction at right. Inset: looking out of Woodside Hills across valley, from main entrance.

Sluggish Kidney Signals

Getting up nights, burning or scanty flow may be nature's signal of sluggish kidney action. Heed nature's warning. Kidneys need occasional flushing as well as the bowels. Help eliminate excess acid and other waste which can cause the irritation that wakes you up. Ask any druggist for the 4-day test box of Bukets. Locally at Young Drug Co.

Last Rites Are Held For George Lagarde

BELMONT, Apr. 18 — Funeral services were held here this afternoon for George Lagarde, 52, charter member of the Belmont Fire Department and a resident of this city for 35 years.

Mr. Lagarde, who had been ill for three months, died at a San Jose hospital Sunday.

Firemen acted as pallbearers at the rites today.

Surviving relatives include his mother, Mrs. Jean Lagarde, and a brother, Edward Lagarde, with whom he lived.

BOOKMAKER FINED $200

SAN MATEO, Apr. 20 — John Petrini, 27, San Mateo, pleaded guilty before Municipal Judge Arthur H. Stetson here on a charge of operating a bookmaking establishment in South San Mateo. He paid a fine of $200. He was arrested in a raid last week.

Robbery Victims Consulted in Case

SAN CARLOS, Apr. 20—Police Chief Edward J. Wheeler was in San Francisco today to contact Mr. and Mrs. Bonaface Puertas, victims of the $1400 robbery 3 years ago for which Frank Leonard, 59, now held at Hanford, has been sought. Leonard and Carl M. Hendricks, 42, a cook, are held on a robbery charge.

Upon the outcome of Wheeler's conference with the Puertases will depend the police chief's action in the case—whether he will endeavor to bring Leonard back here or permit Kings County authorities to prosecute him first.

Leonard was identified from his photograph as one of the bandits who invaded the Puertas home here and bound up them and their maid, escaping with the cash. Mr. and Mrs. Puertas, who were unable to identify the other thug, have since moved to San Francisco.

Wheeler sent two teletype messages this morning to ascertain how long Leonard would be held and was advised the suspect would be there several days at least. Wheeler said if possible he would take the Puertases and other witnesses in the San Carlos case to Hanford to question the suspect.

The San Carlos chief placed a hold order with Kings County authorities, but the hold may be transferred to San Quentin if Leonard takes a guilty plea and is sentenced, Wheeler pointed out. He may be brought back for trial whether or not he is sentenced on the Hanford charge, he said.

2 Burlingame Dogs Reported Poisoned

BURLINGAME, Apr. 20—Poisoning of two valuable pet dogs was reported here today. Coincident with the report came the announcement that the San Francisco Society for Prevention of Cruelty to Animals has opened an investigation into the death of five dogs whose skeletons were found west of San Carlos in a position indicating that the animals had been wired to a tree.

The dogs poisoned here were a Doberman Pinscher owned by Mrs. Jerome W. Casey of Easton Dr and a Scottie owned by Mrs. H. R. Plate, Vancouver Ave. Both had been killed with strychnine yesterday.

Charles W. Friedrichs, secretary manager of the San Francisco SPCA, said his investigators were contacting hikers who saw the skeletons and others who might be able to give some information about the asserted cruelty. Paws of all animals had been wired together, apparently around a tree trunk, hikers said.

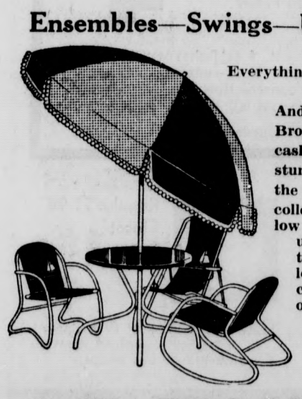
Potatoes too "sleepy" to sprout are given a whiff of ethylene chlorhydrin and they begin to show signs of "awakening" almost immediately, farm experts say.

GARDEN Furniture

J. W. Brooks, the peninsula's largest furniture store is showing a most complete selection of colorful outdoor furniture . . . furniture especially designed to convert your garden into a comfortable "summer living room."

For SUMMER Comfort

Ensembles—Swings—Umbrellas—Chairs



Everything We Long For in a Garden!

And all moderately priced at J. W. Brooks' policy of "lower prices for cash." 8A Grade—Florence Bagley, Dorothy Holmquist, Betty Kinney, Harriet Lagoni, Beverly Paladini, Irene Thieme, Pauline Yee, Claude Conner, Calvin Holt, Joseph Robb, Kenneth Stephens, Patsy Dolan, Jack Lennon, Marsha Blase, Gerda Hundevadt, Dorothy Knitter, Evelyn Tiedeman, Raymond Balzarini, Fred Bottema, Blair Coombes, George Porteili.

8B Grade—Emma Amaya, Maryan Pierce, Joy Raynor, Frances Shoote, Virginia Sugar, Ruth Wik, Delores Wombacker, Virgil Hanson, Bobbie Johnson, Glenn Lewis, Marie Bissell, Bernice Marcopulas, Betty Morris, Jacqueline Poole, Dorothy Shuck, Chikiko Yomada, Bill Langston, Bud Doxsee, Jesse Nelson, Aileen Brackeen, Mary Jane Marshall, Dorothy Baldwin, Vonnie Ruth Dalziel, Jean Thompson, Nancy Ann Squires, Joyce MacKenzie, Bob Carney, Bob Conner, Fred Nicolai, Margeritte Bergmann, Marjorie Newell, Nancy Sauseda.

SUSPEND TERM FOR DRIVER

SAN MATEO, Apr. 20—Frank West of San Mateo, already under sentence on various drunk driving and allied charges, pleaded guilty before Municipal Judge Arthuh H. Stetson here on a count of drunk driving and was given a 90-day suspended term. Judge Stetson dismissed charges of driving while his license was suspended and of prior conviction.

WOODSIDE

GARDENERS TO BENEFIT SCOUTS

(Special to the Tribune)

WOODSIDE, Apr. 20—Following the policy of community service, the Woodside Gardeners' Association is sponsoring a whist party Friday evening for the benefit of the local scout troops, both boy and girl. This has become an annual custom of the gardeners. Ralph Ledesma is chairman of the committee in charge. Score cards, including refreshments, will be 35 cents. Play is to start at 8 p. m. in the Woodside School Auditorium.

NEIGHBORLY GIVING

ROCHESTER, Ind. (AP) — The Akron Christian Church, disbanding, gave the Rochester Christian Church a silver communion service, a piano and $163.

Mosquitoes? Tell of Them

Expected to meet with instant response from residents of this district is a plea made today by T. F. Gainer, superintendent of the Pulgas Mosquito Abatement District.

Expressing a desire to rid this area of mosquitoes, Superintendent Gainer appealed for co-operation from the public.

"In order that we may entirely free our community of this nuisance," Gainer stated, "we ask your hearty co-operation in wiping out these carriers.

Therefore if you have any containers for water, such as barrels, cans, neglected water troughs, cess pools accessible to insects, you will aid us in this work by emptying them and thus help to free our district of the breeding places for mosquitoes and thereby prevent contagious diseases from resulting or spreading.

"The community suffers an economic loss if mosquitoes are allowed to breed, thus checking progressive community development and thereby reducing the valuation of property. Now is the time to prevent this pest from getting a start."

Gainer said that any reports of mosquitoes believed breeding in any area should be given to him by telephone: Office, Redwood 70; residence, Palo Alto 22926.

AUTO IS OWN ALARM

GLENDALE, (AP)—An automobile sounded its own fire alarm here. Firemen said that metal expanding in the heat set the horn going.

Theater Planned For San Carlos In Near Future

A. M. Bowles, division manager of Fox West Coast Theaters, announced here on Wednesday as the result of a conference in Los Angeles with Charles P. Skouras, executive of the firm in Southern California, that negotiations are under way for erection of a new 800-seat theater in San Carlos.

Within a week or 10 days, the announcement said, W. H. Lollier, head of the real estate department of the Fox West Coast concern, will arrive in San Carlos to close negotiations.

Bowles' announcement did not state where the theater would be located in San Carlos, nor amount of the investment to be made. The showhouse will represent a considerable investment, however, and will be midway in size between the Sequoia Theater in Redwood City, which has 1468 seats, and the Redwood Theater, which seats 500.

Court Trial Faced By Death Car Driver

BURLINGAME, Apr. 20 — Ray August Ehrke, 38-year-old Burlingame motorist, was held to answer to superior court in San Francisco yesterday on charges of hit-run causing injury and negligent homicide in connection with the automobile death of William Winthrop, 60, Burlingame bartender, last Mar. 28.

IT'S WARD WEEK at MONTGOMERY WARD

2317 BROADWAY REDWOOD CITY PHONE 1300

DAV Chapter Names Officers

NEW OFFICERS of Peninsula Chapter 47, Disabled American Veterans of the World War, were announced Monday.

Frank Lee Crist, Palo Alto attorney, has been named commander, succeeding Edward Edwards of Redwood City.

Dan Kelsey, Redwood City, was elected senior vice commander; Dan Rothermell, Palo Alto, junior vice commander; S. Alderson, Palo Alto, chaplain; Martin Johnson, Menlo Park, sergeant-at-arms, and J. Gene Barrett, Redwood City, state executive committeeman.

Installation will be held May 12 in Palo Alto Veterans Hall, where the election was held last Friday. Dist. Comm. Eddie McKenney of Palo Alto was principal speaker, discussing means of keeping America out of war.

Dr. Horace J. Harper, soils expert at Oklahoma A. and M. college, estimates Oklahoma soil has lost 40 per cent of the organic matter it contained before being farmed.

Careful, Pirate Girl—He May Bite!

BUT Zoe Del Lantis doesn't seem afraid. She knows, of course, the bears are permanent and un-moving residents of the Natural Resources Exhibit in the California State Building on Treasure Island. This $100,000 exhibit, because of its faithful reproduction of Nature, has excited the admiration of thousands of World Fair visitors. It offers a "five-minute tour" of California, from north to south, from redwood trees to sunny beaches.

Short Supply Believed Left

Chairman Ed Greeley of the ticket sales committee for the Redwood City Junior Chamber of Commerce ferry excursion to Treasure Island April 30 announced today that all tickets which have not been sold will be rounded up Monday, Apr. 24, and placed on sale at the chamber of commerce office on Middlefield Rd. just off Broadway.

"I am unable to meet demands for tickets now," Greeley said, "although not all of the tickets actually have been sold. Many of them are promised by members who are selling them, but unless they have the actual cash for their tickets by Monday, they will have to turn in all those still unsold. This is to make tickets available to those who have not yet had a chance to buy them, and who have decided to make the excursion."

Greeley indicated he had accepted payment for almost 800 of the tickets today, and that money has been rolling in at a rate to assure a sell-out of the 1500 tickets.

In connection with the trip itself, Greeley said that the entertainment committee, headed by Joseph Maxwell, has lined up a show for the boat that will keep excursionists occupied every minute of the time from departure at 9:30 a. m. from Port Redwood City to the hour the boat arrives home again, which is expected to be about 6 p. m.

The Yerba Buena, which is to be the boat used for the trip, will dock at Treasure Island well before noon, and anyone may get off for a tour of the island. Passengers will be picked up again more than three hours later for the trip home. Anyone wishing to stay aboard may enjoy first a scenic trip around the Fair site and then a tour of the Northern Bay area. Luncheon will be available on the boat.

YMCA Makes Summer Plans

Plans for the Summer's program of Peninsula Branch, Young Men's Christian Association, occupied most of the discussion of Monday night's meeting of the county committee of management when it met at First Congregational Church, Redwood City.

Chairman Wilbur H. Doxsee was empowered to appoint a committee to study the matter and recommend a program in addition to the camping program.

During the absence of Secty. Thomas W. Badley at a conference in Toronto the latter part of May and first of June, a temporary secretary will be employed, it was decided, so that there may be no interruption in the YMCA's work.

The camp itself likely will be extremely successful, especially from standpoint of attendance, it was reported. Camperships are now being sought for boys unable to afford the outing. Signups for the camp will be made at the various schools in the county.

Cuthbert B. Currie, county finance chairman, reported that campaigns were concluded in all localities except Millbrae, which is finishing this week, and that the $6000 goal had been reached.

Clarence J. Holt, past president of the Redwood City Toastmasters' Club, told the 58 men present how the "Y" had sponsored the organization and how it tied in with "Y" work.

At the Laymen's Assembly Apr. 30 in Stockton, it was reported, those present will include Donald L. Bogie, B. E. Myers, D. F. Gatchel, Chairman Doxsee and Secretary Badley of Redwood City; Joe Sherman of Millbrae; Robert Robbins of South San Francisco; George White of Burlingame, and Charles Smith of San Mateo.

Basketball awards were presented to one Burlingame and three South San Francisco teams and a cup and medals to the South San Francisco Hi-Y team, for winning the Northern California championship in recent tournament play.

Santa Cruz Host To 200 Newsmen

A preview of what visitors to Santa Cruz can do and see this Summer was given to nearly 200 newspapermen over the past weekend when the beach city was host at its first "Day on the Bay."

A cioppino dinner Saturday night at Casa del Rey at the beach; overnight accommodations at the same hotel; salmon trolling and deep sea fishing Sunday morning in the Stagnaro boats; speedboat rides with members of the Santa Cruz Motor Boat Owners Club; golf at the Pasatiempo Country Club, and a dinner dance in the evening at the Club Rio del Mar were provided for the guests, with Orchestra Leader Carl Ravazza dedicating his half-hour radio program to the newsmen.

Newsmen attending from Redwood City were Omer Crane, H. D. McKay, Kenneth L. Bowen and G. W. Philpott of the Tribune. From Burlingame went Mr. and Mrs. George A. McQueen, Miss Louise Jeschien, Arthur Stokes and William B. Pedigo.

In addition to the newsmen, officials of sportsmen's clubs were guests of Stagnaro on the fishing trips. Among those attending was George Zehender, secretary of the Redwood City Club. With him were Mrs. Zehender, Miss Thelma Bowen, Miss Mary Donovan and George Zehender Jr.

Archaeological research indicates the great flood described in the Bible probably occurred about 4000 B.C.

The South's pig crop increased from approximately 13,000,000 head in 1929 to 16,000,000 in 1938.

The amateur football "business" in Texas, including colleges, is estimated to have an annual worth of $5,000,000.

Paulino Uzcudun has been appointed chief of police of Valencia by Gen. Francisco Franco.

No Money Down

Dr. Campbell prefers that you see and wear your plates before you pay for them by using his no money down easy payment plan. Dr. Campbell has made hundreds of plates without one penny down, and finds that patients are delighted with this policy as most people like to see and wear their plates before paying. There is no extra charge for credit, same price as cash.
(This offer applies to plate work)
These are our finest Plates. We have none better, no matter how much you pay us. NOW! Same low prices as our inexpensive rubber plates.

DU PONT
REG. U.S. PATENT OFF.
DENTAL PLATE

MATERIAL . . . so like Nature's own gums your closest friend can't tell. Plate material developed by world-famous du Pont Laboratories NOW HERE! This beautiful, moist appearing du Pont material is odorless, tasteless . . . yet with all its daintiness it is made to stand the roughest use. The light weight of du Pont or *"Realistic"* plate material (usually less than 1 ounce) makes it possible for Dr. Campbell to fashion a plate which will fill out your cheeks, so desirable for a youthful appearance.

PLATE REPAIRS

There's no need of buying a new plate when your old plate can be made to fit tight and look like new. Use DR. CAMPBELL'S dental laboratories for your next plate repair.

Dr. Campbell's FINEST Most Beautiful Dental Plates . . .

Made in Dr. Campbell's own laboratories. Each NATURAL shaded PORCELAIN tooth is set in the NATURAL gum-pink plate material as if it were growing there. They are so like one's own natural, healthy teeth and gums that your closest friend would never know the difference. These plates are thin, light weight (less than one ounce) and very dainty, yet they are made to stand the ROUGHEST USE.

Pirate Spanish Girl!

Zoe Del Lantis "went Spanish" the moment she entered the beautiful Mission Trails Building on Treasure Island. This exhibit building, one of nine in the county group established by the California Commission for the Golden Gate International Exposition, is attracting thousands of visitors to the Golden Gate International Exposition and Manager H. M. Horrworth and staff are kept busy answering questions about the counties represented—San Mateo, Santa Clara, Santa Cruz, San Benito, Monterey, San Luis Obispo, Santa Barbara.

State Board Office In County Assured

SAN MATEO, Apr. 19—Assurance that a permanent State Board of Equalization office will be established in San Mateo County was given today by George R. Reilly, equalization board member for this district, in a letter to Gilbert D. Keitle, secretary-manager of the San Mateo Chamber of Commerce.

Reilly made no mention as to the probable location of the branch office, but local representatives of Reilly said only three office sites had been offered—two in Burlingame and one in Redwood City.

In his letter, Reilly said:

"Please be advised that I am satisfied that the board of equalization should have a permanent organization in San Mateo County . . . I am endeavoring to make the arrangement at this time and the office will be opened as soon as possible."

F. J. McConville Heads T.B. Unit For Next Year

Francis J. McConville, principal of San Mateo High School, is the new president of the San Mateo County Tuberculosis and Health Association.

Elected Monday at the organization's third annual meeting, attended by more than a hundred persons in Hotel Benjamin Franklin, McConville becomes the first non-physician to hold the presidency. He succeeds Dr. F. S. Gregory of Redwood City, who presided at the meeting. Dr. W. F. Knorp was the first president.

Named vice president, also unanimously, as were all the officers, was Dr. Harry C. Warren of Belmont. Mrs. C. A. Andrews of San Mateo was chosen secretary and T. N. Thompson of Redwood City was re-elected treasurer.

On the board of directors were placed Dr. Warren; Dr. Erma Maccomber, Burlingame; Edwin P. Gerth, Atherton; Mrs. Francis Crosby, Woodside; Mrs. Hyman Kaplen, Mrs. Gertrude Wilkinson, Rev. Sidney H. Buckham, Dr. Carl D. Benninghoven and Mrs. J. M. Foley, San Mateo; Dr. W. H. Musselman, South San Francisco; Mrs. F. M. Perkins, Redwood City; Mrs. Ruth Bradley, representing organized labor; and a representative of the district Parent-Teacher Association, board of supervisors and public health nurses' unit.

On the executive committee were elected Drs. Gregory, Benninghoven and Musselman; Rev. Mr. Buckham; Mrs. Foley; Mrs. Elsa S. McGinn of San Mateo; Mrs. Florence Donnelly, Redwood City; W. T. Van Voris, Burlingame.

LICENSELESS DEALER FINED

SAN MATEO, Apr. 20—Pleading guilty to charges of operating as a real estate dealer without a license, Albert E. Alldis, 100 Duane St., Redwood City, was fined $25 today by Judge A. H. Stetson.

CIRCULATION DEPARTMENT EMPLOYES OF TRIBUNE CELEBRATE SUCCESSFUL CIRCULATION DRIVE

(Camera Art Studio Photo)

Carriers and circulation department employes of the Redwood City Tribune, who long have been organized into a club, not only were given an opportunity to turn spare time into money during the recent Easter vacation, but were treated to a banquet as the result of the successful culmination of a circulation campaign put on during the week's holiday.

This was only one of a number of functions which the carriers enjoy from time to time as they mix pleasure with their work of delivering the Tribune.

Shown in the picture are, front row, left to right, Elwayne Laurence, club president; Richard Tennant, John Whitsell, William Huggins, William DeBose. Second row, left to right, Douglas Hughes, Richard Lemar, Raymond Hayes Jr., club secretary; Kim Rush, Jack Pierce and Laurence Adams.

Around the table are Manuel Ortega and Russell Alves (seated at left), Richard Alves, Ray Ward, James Hammer, Edwin Rice, James Wood, Tribune circulation manager; Mrs. Vera Mak, circulation department secretary; Bill Hayes, Albert Sahlberg Jr., James McDonnell, Frank Ramos, Joe Sausedo, Ted Alves and Kenneth Ralston.

Employes of the department not pictured are Frank Osborn, Robert Huebner, Darrol Davison, James Wyman, Lyle Swinyer, Leland John, Jesse Nelson, Arthur Fronberg, and Jim Malcolm. Following the banquet, the boys were guests of Manager Hal Honore' at Sequoia Theater.

GIVEN TERM IN JAIL HERE

Harry Hess, San Mateo, Mare Island ship fitter who pleaded guilty to drunk driving in Judge Edward I. McAuliffe's court, was sentenced yesterday to 20 days in the county jail.

Arthur H. Hemrich, Lumberman, Dies

Arthur Henry Hemrich, 41-year-old employe of a San Carlos lumber company died at his home, 93 Clinton St., Redwood City, early Wednesday after an illness of several weeks. He was a native of Alma, Wis., and the son of Caroline and the late William Hemrich. He leaves a wife, Helen.

His sister is the wife of Hugh Barrett Dobbs of San Francisco, former Burlingame resident and prominent radio master-of-ceremonies. He was the brother of Mrs. J. H. Martin and Louis Hemrich, both of San Carlos.

Funeral services will be conducted at 1 p. m. Friday at the Layng & Tinney chapel, Rev. H. J. Loken of the San Carlos Community Church officiating. Interment will be at Cypress Lawn Memorial Park, Colma.

Robert J. Koshland Heads Jewish Group

Robert J. Koshland of Hillsborough, one of the pioneers of San Mateo County relief work in the early days of the work relief program, Sunday was elected president of the Western States region of the Council of Jewish Federations and Welfare Funds now in convention at Oakland. Koshland succeeds Jesse H. Steinhart, San Francisco attorney.

ADMITS CHECK CHARGES

Clarence Berendt, San Francisco, accused of passing a fictitious check for $18.50 on a Redwood City merchant, pleaded guilty in Judge E. I. McAuliffe's court yesterday afternoon and was certified to the superior court for sentence.

SUSPECT IN $1400 ROBBERY AT SAN CARLOS IS ARRESTED

A suspect in the $1400 robbery of a San Carlos couple Apr. 6, 1938, has been arrested in Kings County on a new robbery charge, according to word received today by Police Chief Edward J. Wheeler of San Carlos.

Booked at the Kings County jail, the suspect is Frank Leonard, for whom Chief Wheeler had sworn out a warrant shortly after the sensational robbery of Mr. and Mrs. Bonaface Puertas, then residents of 1501 Morse Blvd. The couple identified Leonard from a San Francisco Rogue's Gallery picture as one of the two men who bound them and their maid, Miss Clorinda Trujillo of Redwood City, in their home and made off with the day's receipts of Puertas' San Francisco store. They were unable to identify the second of the bandits

The Puertases since have moved to San Francisco.

The notice of Leonard's capture at Hanford came in a routine report from the fingerprint bureau of the State Department of Criminal Identification at Sacramento, Wheeler said. He immediately telegraphed to Kings County authorities to hold Leonard until he could make arrangements either to question him there or return him to this county to face robbery charges.

The two robbers first entered the Puertas home on a ruse about 5:15 p.m., bound the maid, then waited for Mr. and Mrs. Puertas to return home. When they arrived, they were met at the door by the armed men. When Mrs. Puertas screamed, she was struck over the head with a gun. The couple then were tied up and the men escaped with the cash.

$50,000 Bequeathed To R. C. Resident

Largest cash bequest made by Edward Christy Denigan, San Francisco wool broker who died Saturday night, was to Alline V. Lawrence of Oak Knoll Dr., Redwood City, according to his will, on file for probate in San Francisco Superior Court today. Mrs. Lawrence, described in the will as a friend, was left $50,000. Her son, William Lawrence, received $5000.

Mr. Denigan, for the past five years president of the San Francisco Wool Trade Association, left $20,000 to Minnie C. Clecak, who lives at the Empire Hotel, San Francisco, where the deceased resided. She also was given a fund of $500 to care for his dog, Tucker.

Residue of the estate goes to a sister, Mrs. Florence May Demoulin, of Auburn.

DE PATTA SEES SOME HOPE FOR GAS PRICE CHANGE HERE

Some hope that establishment of the Standard Oil Co.'s new gasoline storage depot at Port Redwood City may bring about an equalization in gasoline prices on the Peninsula was expressed today by Frank A. De Patta, chairman of the Redwood City Chamber of Commerce's committee which is striving to have removed the half-cent differential in price between San Mateo and cities south.

De Patta said he recently had conferred with officials of three major oil concerns. While they expressed sympathy with the case of Redwood City and other south Peninsula towns where gasoline costs more than it does in San Mateo or north, they have taken no steps to effect a change in the price, De Patta said.

From the conversations, he gathered that there might be hope of the differential being removed when Standard builds its plant at the harbor. Construction is expected to be under way on the venture before the end of the week.

De Patta foresees other firms establishing similar depots at the port.

"Then if one company removes the price differential, they all will do it," he said.

No means has been found to force the companies to cut the price of gasoline here to conform with that paid in the north Peninsula, but De Patta's committee plans to keep "hammering away" at the problem, he said.

The oil concerns when originally contacted explained that the price was higher here because the freight from the North Bay refineries was more. Inquiry of the State Railroad Commission disclosed, however, that the rates were no different to Redwood City than to San Mateo.

Color Photos Taken Of R. C. for Display

Thomas D. Vencil, photographer for the Mission Trails Association's exhibit at Treasure Island, was escorted around Redwood City and environs Monday by Secretary-Manager Roscoe D. Wyatt of the chamber of commerce to take several color photographs for projection at the exposition.

Pictures taken by Vencil include shots of the wild flowers in the foothills, Emerald Lake, Sequoia High School and other beauty spots in the city. The negatives are projected on a screen four by five feet in the Mission Trails Building on the island.

Written languages are believed to have begun as a series of pictures representing action.

Missouri bee keepers are worried lest the people of the nation have lost their "sweet tooth." Demand for honey has declined and one of the best of honey producing seasons is in prospect.

Before the depression and recent droughts, nearly three acres of crops were harvested per person in the United States against one acre in Germnay, a half in China and a fourth in Japan.

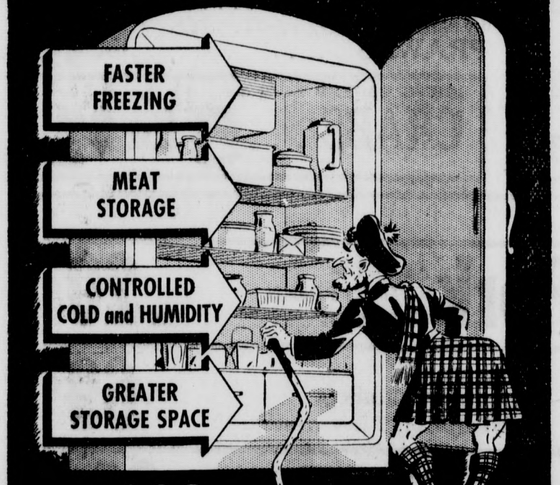
IT WILL PAY YOU TO LOOK INTO . . . .



THE 1939 ELECTRIC REFRIGERATOR

There are a host of important improvements in the new 1939 Electric Refrigerator that you should look into. It will pay you to do so—even if you now own an electric refrigerator.

When you compare these new electric refrigerators with models of five years ago you will note many remarkable betterments. Better planned interiors provide more storage space. Freezing is faster. Freezing compartments are larger. There are special cold storage compartments for meat. Controlled Cold plus High Humidity keeps fruits and vegetables crisp and fresh. And the new economy units use no more current than a low wattage light bulb.

It will pay you to see your electric dealer today and investigate the new 1939 Electric Refrigerator. Prices this year are lower than ever. There is a model to fit every household purse. Get the Inside Facts on the 1939 Electric Refrigerator now.

Inside Facts
1 *Faster Freezing*—ice in one-third the time and twice as much of it.
2 *Meat Safe*—A big covered compartment keeps a week's supply of meat fresh and juicy.
3 *Controlled Cold plus Humidity* puts an end to wilting, shrinking and changing color.
4 *Greater Storage Space* gives approximately forty per cent more refrigeration.
5 *Cuts Current Cost*—new economy units—80% of the time use no current at all.

ELECTRIC APPLIANCE SOCIETY OF NORTHERN CALIFORNIA
11SW-439

Honors Won By Students

Eight Sequoia senior students will receive California Scholarship Federation gold pins in recognition of their unusually high scholastic average during their school term. In order to win the pin, the student must have been a member of the CSF for three-fourths of the high school semesters.

Those eligible are Ernest Thorson, Nadine Johnson, Thelma Morton, Miriam Philbrick, Betty Stowe, Tom Canning, Patricia Jeffers and Esther Colton.

James Boen, who has been a member of the organization for half of the school semesters, will receive the novitiate award. Other possible winners of this award are Vera Graham, Theodore Fisher, Robert Emig, John Cook, Harrison Fischer, Lyminia Cheney, Betty Hoffman, Eleanor Irwin, Ramona Shepherd and Edna White.

Thirteen senior Sequoia students will compete for the four speaking roles for the annual commencement exercises in June. Those who will try out are Howard Melton, Esther Colton, Helen Grant, Caroline Grant, Sam Stephenson, Mary Lou Hawkins, John Cook, Robert Bebb, Logan Potter, Patricia Huling, Josephine Giannini, Peter Elliott and Ruth Myers. Three judges will select the four speakers Friday. Up until that time additional candidates may file their intentions of speaking, according to Mrs. Alberta Peck.

Daniel Drew, Sequoia sophomore, recently received notice of publication of a poem, "Refuge," in the 1939 Anthology of Poetry of California High School students. He is the son of Mrs. Josephine Drew, 126 Portola Rd., Stanford University.

Sequoia has added nine new students to its ranks in the past two weeks, according to Miss Ellen Adams, attendance secretary. They are Bob Wise, Santa Barbara, and Jack Tyrell, Daly City, freshmen; Betty Phelan, Douglas Christenson and Warren Owen, all of San Francisco, sophomores; Robert Baker, Vancouver, B. C., junior; Adele Hodge, San Jose, and LaVerne Cooper, Huntington Park, seniors.

More than 300 Sequoia High School senior students will "go to college for a day" Wednesday when they are guests of San Mateo Junior College. Other high school senior classes in the vicinity also will attend the annual get-acquainted day.

The seniors will attend classes, learn the customs and traditions of the school, be feted at an assembly and be luncheon guests of the college.

John McLaren Urges County To Save Butano

John McLaren, the father of San Francisco parks and the man who built San Francisco's golf course at Sharp Park, came to Redwood City Tuesday to argue for Butano purchase.

Accompanied by two of his great grandchildren, the 94-year-old patriarch of playgrounds had not been advised that the public hearing scheduled for today had been postponed.

But in caucus with the board of supervisors, McLaren expressed his opinion in no uncertain terms, and as a mark of respect to his interest and courtesy, his remarks were incorporated in the minutes of the board's official meeting, which he did not attend.

'BEAUTIFUL SPOT'

"I have been camping in the Butano for 61 years," McLaren told the board. "It is one of the most beautiful spots in the world."

He urged the board to do everything in its power to save the forest from the loggers.

Chairman Fred E. Beer, acting in the absence of Supervisor H. H. Smith, who is ill, said the proposed informal public hearing and the legal protest hearing would be combined for some future date in about three weeks. It was anticipated the board would call a special meeting for the purpose.

TITLE SEARCH NEEDED

Beer explained that the formal hearing, also originally scheduled for today, had been delayed by technicalities. Metes and bounds description of the 15 parcels included in the 1340-acre tract were not received until yesterday, he said. It would be necessary to make a title search and to publish a notice for three weeks before the hearing could be had, according to Beer.

Completion of the foundation of Sequoia High School's four new tennis courts has been effected by WPA workers, Principal A. C. Argo said. The four courts are expected to be finished and ready for play within two months.

James Eva, Sequoia hygiene and swimming instructor, will speak on "Evaluation by Graduates and the Community" at a meeting of the San Mateo, Santa Clara and Monterey Bay Region Secondary Schools Administrators' Association Wednesday evening in Gilroy. Principal A. C. Argo and Hugo Rustad will accompany Eva to the conclave.

TERMITE PROOFING

Termites and fungi destroy the bodies of dead trees just as maggots destroy the bodies of dead animals. Termites do not die out seasonally. They live as long as twenty-five years, requiring from two to three years to reach maturity. Thus each generation adds to those in the colony until there are thousands of insects of all ages before the first generation begins dying out.

Most insects mistaken for "flying ants" are young "king" and "queen" termites seeking a place to lay their eggs and start a new nest. They come from an old established colony nearby where thousands more are hatching out.

Termites of the subterranean (soil nesting) species are the most widespread, the most ingenious, and the most destructive. They line the queen's nest and their galleries and tunnels through the ground with a mud plaster. They carry mud up into a building with which to seal the holes eaten in the lumber, to plaster up cracks and joints, and to make runways (tubes) up masonry walls, etc.

The wood which they eat with their strong jaws is converted into a digestible sugar by protozoa which infest their intestinal tracts. "Workers," commonly called white ants, wood lice or wood worms, carry this predigested food to queen, king, soldiers and baby termites.

The earth packed into the wood usually contains spores (seeds) of fungus which take root inside the lumber and help to destroy it. The result of this complicated process is passed off as just rot, dry rot, or wet rot. Most owners, and many builders who should make it their business to know better, accept this economic loss as inevitable — like death and taxes.

Lumber is made from the bodies of dead trees. Floors and framing of a modern house are choice food for the termite. Heating plants and inclosed basements protect them from the weather. Concrete and stucco protect them from natural enemies such as chickens, snakes and birds as well as from the eyes of their "host," the owner of the house.

Architects, builders or inspectors are not liable by law or custom for termite damage. Building codes are not rigid. F.H.A. or mortgage holders take little risk as monthly payments cover the depreciation. No one suffers from termite damage except the owner, who pays periodic repair bills and stands the depreciation in value.

"Termite treatments" depending solely on sprays, creosote paint or ground poisons appeal to the uninformed, although condemned long ago by government experts as of **no permanent** value. Over ten years ago Davies System was developed as a common sense combination of technical theory and practical experience. Today hundreds of well preserved buildings prove the economy and permanence of systematic termite proofing.

Davies System chemical preservatives are of the highest efficiency, but are never substituted for permanent mechanical barriers or used merely to **hide** the cause of infestation. Knowledge of the many causes of termite and fungus damage, and ability to eliminate or correct these conditions permanently, are the qualifications of Davies System operators.

You or your banker can easily verify the good reputation of Davies System throughout a ten year period. The local reputation of Teddy Lauman is your further assurance of dependable work.
